Application for Enrolment in the Certificate in Rudolf Steiner Education a three year part-time course.

This Course is a three year part-time Certificate course, which offers a range of subjects based upon Rudolf Steiner's philosophy of education.

Rudolf Steiner education aims at educating the child through a balance of practical, artistic and academic activities. Its methods work with the child's developing consciousness as it moves, step by step, through the Rudolf Steiner curriculum.

The course is for anyone wishing to extend their knowledge of Steiner education, and for personal development - it is not only for practicing teachers.

Each evening includes a lecture and discussion, followed by an artistic activity (which changes each term. It operates every Wednesday evening between 7pm -10pm, over four terms, and corresponds generally with the school term calendar.

Please provide us with a brief outline as to why you are interested in doing this part-time course.

It is aliveness that must be the guiding principle. Joy and happiness in living, a love of all existence, a power and energy for work . . . The need for imagination, a sense of truth and a feeling of responsibility - these are the three forces which are the very nerve of education.
